Young JV
Yo, August, wassup
Where you in

Twist up
(Ey-ey, hey)
(Ey-ey) Let's go, let's go
(Ey-ey, hey)

Let's get in the club, man
Wide eyes, brown skin, waist thin
Saw this shorty at this club I was in (music, music)
Music on a blast with a tall glass, dripping champagne
A-a-a-a-alcohols to blame

I must be trippin' but I ain't slippin'
Ladies is pimps to rockin' that see-through
Baby, I see through rockin' with that dude
Step up your latitude; I make him your latter, dude

CHORUS

See I can't seem to get enough of that shorty up in the club
And every time I wanna holler, she already got a bottle
She's the only one I'm thinkin' of
And I can't get, get, get enough
I can't get, get, get enough

I can't get, get, get enough of that shorty in the club
(shorty in the club)
So you a model, girl; almighty dollar girl
Magazine flippin' Benz coach, Louis Vuitton girl
You think you're that girl; well, come to J's world
Welcome to J's world, welcome to J's world

Chrome spinning, candy paint
All sorts, so fresh, so fly, fly (mandatory passports)
So dapper girl; I'm just here to please
Fuck credit from no rapper, baby, match my visa

CHORUS

See I can't seem to get enough (get enough) of that
Shorty up in the club (my shorty, my shorty baby girl)
And every time I wanna holler, she already got a bottle
She's the only one I'm thinkin' of

And I can't get, get, get enough (no, I can't get)
I can't get, get, get enough (no, I can't get enough)
I can't get, get, get enough of that shorty in the club
(shorty in the club)
So you a fly chick that caught my eye cheek

Dolce Gabbana, Fendi, Rock, Balenciaga chick
Wanna be my chick 'cause, girl, you're my pick
Ain't nobody in this world go'n get you what I get

Go girl and (buy it), go get that (fly-ish)
Let's take it back, make-out sessions, let's do drive-in
Don't have to watch it; girl, we should watch it
Shorty got me open 'cause I just can't get enough, oh
yeah

[Repeat CHORUS underneath]

Ah-ah-ah, that shorty in the club
Every time I wanna holler, she really got a bottle, ohh
yeah
I can't get enough
Of that shorty in the club
(August, let's do this, man)

CHORUS

See I can't seem to get enough of that shorty up in the
club
And every time I wanna holler, she already got a bottle
She's the only one I'm thinkin' of

[Repeat 2nd stanza of CHORUS underneath]

I said
Yeah yeah yeah yeah, she's my shorty
Yeah yeah yeah yeah yeah, my shorty
Yeah yeah yeah yeah, she's my shorty (Filipino)
Oohh yeah

Shorty in the club
I can't get, get, get, get, get, get enough
Shorty in the club (hey)
Shorty in the club

Shorty in the club (hey)
Shorty in the club
Shorty in the club (hey)
Shorty in the club
