If it takes away the pain
It's alright
I'll rock you so hard
You might not make it through tonight
Follow the bright lights
They might change you
If you get lost along the way
It's alright

[Chorus]

We'll find another way to dance
We'll find another way to dance
If you get the chance
You must dance, dance, dance
(We'll find another way)
We'll find another way to dance
(We'll find another way)
We'll find another way to dance
(If you get the)
If you get the chance
You must dance, dance, dance

If it takes away the pain
It's alright
I'll rock you so hard
You might not make it through tonight
Follow the bright lights
They might change you
If you get lost along the way
It's alright

[Repeat Chorus]

Dance, Dance, Dance
Dance, Dance, Dance
Dance, Dance, Dance
Dance, Dance, Dance

We'll find another way to dance
We'll find another way to dance
If you get the chance (chance)

You must dance, dance, dance
Dance, Dance, Dance

[Repeat Chorus X2]

If it takes away the pain
