I want you to remember all the things that I said
I want you to remember, you're not better off dead
You only have a minute to go back in the line
To bring it on home and make up your mind

I want you to remember
What you came here to do
I want you to remember
That I'm talkin' 'bout you

I love music and I love to feel
I love to get through
I love to get through
I love music and I love to yell

In my soul
I am running, getting nearer
For many years of only hope
You'd never leave

You are my faith
(You are my faith)
And you are my friend
(And you are my friend)
You are my family
And I am coming

So we can live
(We can live)
Forever more
(Forever more)
In total love

You're in my soul
(You're in my soul)
And I am running
(I am running)
Getting nearer
(I am always gettin' nearer)

For many years
(For many years)

Of only hope
(Of only hope)
You'd never leave
(For many years I hoped you'd never leave)

You are my faith
(My faith)
You are my friend
(My friend)
You are my family
(My family)
And I am coming
(And I am coming)

So we can live
(So we can live)
Forever more
(Forever more)
In total love
(So we can live forever more)
In total love

I'm not about to die
I'm not a setting sun
I look into your eyes
And see what has begun

I'm not
(This time)
About
(We will)
To die
(This time we will unite)

I'm not
(This time)
A settin' sun
(We will not)
(This time we will not lose you)

I look
(We look)
Into
(Into)
Your eyes
(We look into your eyes)

And see
(And see)
What has
(What has)

Begun
(And see the world is begun)

In my soul
Are you ready?
Getting nearer
(I am always getting nearer)

For many years
(For many years)
Of only hope
(Of only hope)
You'd never leave
(For many years I hoped you'd never leave)

You are my faith
(You are my faith)
You are my friend
(You are my friend)
You are my family
(You are my family)
And I am coming
(And I am coming)

So we can live
(So we can live)
For ever more
(For ever more)
In total love
(So we can be there when victory strikes again)
