Even though you don't know me
I~ know that you live alone
Because I listen to you cry~
Even though you don't know me
Woah-oooh-OH!
Can't forget you love
[dunno wtf they sing here...]

Even though you don't -- know me
I wanna - (I wanna -) I wanna take you out
I wanna take you on a date
Let's go on a date
Let's go on a date
(Go on a date~!)
Let's go on a date
I wanna take you on a date
Let's go on a date
Let's go on a date
(Go on a date~!)
Let's go on a date
I wanna take you on a date

Even though you don't know me
I~ know I can treat you right
And I can make you satisfied
Even though you don't know me
Nooo~! You're my angel GOSH I wish I wasn't so shy~

Even though you don't -- know me
I wanna - (I wanna -) I wanna take you out
I wanna take you on a date
Let's go on a date
Let's go on a date
(Go on a date~!)
Let's go on a date
I wanna take you on a date
Let's go on a date
Let's go on a date
(Go on a date~!)
Let's go on a date
I wanna take you on a date~

I wanna take~ (I wanna take you on a date, I wanna
take you on a date)
I wanna take~ (I wanna take you on a date)
To a Nightclub; to a restaurant;
To a Movies (I wanna take you on a date)
And then to your place, and maybe first base
And maybe second base (I wanna take you on a date)
To a Nightclub; to a restaurant;
To a Movies (I wanna take you on a date)
And then to your place, and maybe third base
And maybe outer space (Let's go on a date!)

(Let's go on a date!)
[repeat]
