Do You Want To Wait Around In The Back?
Do You Want To Wait Around In The Background?
If You Want To Wait Around In The Back
Then I Can't Understand You, I Can't

You Want To Wait Around In The Back?
Are You Saying That You Want To Wait Around In The
Background?
If You Really Want To Wait In The Background I Can't
Understand You
I Can't Understand You, I Can't

The End Is In Sight
But Oh You're Waiting For Something
Ultra Violet Light
And Ooo I'm Waiting For You

Do You Want To Wait Around In The Back?
Do You Want To Wait Around In The Background?
If You Want To Wait Around In The Back
Then I Can't Understand You, I Can't
You Want To Wait Around In The Back?
You're Really Saying That You Want To Wait Around In
The Background?
(In The Background)
If You Really Want To Wait Around In The Back
Then I Can't Understand You
Oh

The End Is In Sight
But Oh You're Waiting For Something
Ultra Violet Light
And Ooo I'm Waiting For You

The End Is In Sight
But Oh You're Waiting For Something
The End Is In Sight
And Ooo I'm Waiting For You
