Hey you what is wrong
God I hate to see you low
Let me amuse you
I know what you need
Yeah I'm gonna make you glow
You better believe it's true

There's no time for digging holes
Put your trust in me

'Cause I know - I know a way to make it right
I know - you gotta get away tonight
There's no excuse you have nothing to lose
I know - that all you need isâ€!

Hey you what's going on
You're not the one I used to know
Keep it together
Hey there come along
I know a place where we can go
It's gonna be so much fun

There's no reason being sad
Put your trust in me

'Cause I know - I know a way to make it right
I know - you gotta get away tonight
There's no excuse you got nothing to lose
I know - that all you need isâ€!

Look at me
You're not a hopeless case
I can see it in your eyes
Yeah look at me
And let me wipe those tears
Now it's gonna be alright, yeah it's gonna be alright

'Cause I know - I know a way to make it right
I know - you gotta get away tonight
There's no excuse you got nothing to lose
I know - that all you need isâ€!

'Cause I know - I know a way to make it right
I know - you gotta get away tonight
There's no excuse you got nothing to lose
I know - that all you need isâ€¦!
