Oh no I'm loosing it
I always screw it up like this
I know I'm not allowed
I guess, that's why I gotta try

I won't forgive myself getting old
Without trying all the things I run into
I'm a dare devil who's gotta know
The curiosity will kill this cat

Hey!

Oh oh
I gotta be crazy
Oh oh
It's making me feel so good
Completely out of time
Yeah yeah
It makes me feel good

Stop me I can't help myself
I'm getting closer to the edge
This time I'm taking it way too far
Not even me will get away with this

No!

Oh oh
I gotta be crazy
Oh oh
It's making me feel so good
Completely out of time
Oh oh
I gotta be crazy
Oh oh
It's making me feel so good
Completely out of time
Yeah yeah
It makes me feel so good

They say I gotta grow up now and be aware

There are consequences that I have to face
They say I gotta rearrange myself but I
I really don't care

Oh oh
I gotta be crazy
Oh oh
It's making me feel so good
Completely out of time
Yeah yeah
It makes me feel so good
