Howling wind and driving rain  
Will I ever see the sun again  
Feeling weak, so fatigued  
Hated my life, but could not weep  
No ray of hope, no light inside  
It all went wrong, just never right  
Then came the day you entered my life

My heart skipped a beat  
I almost went blind  
Was swept off my feet  
You're blowing my mind  
The world I once knew  
Was no longer true  
You've changed my whole life forever more  
My heart skipped a beat, oh, oh...  
My heart skipped a beat, oh, oh...  
My heart skipped a beat...  
Oh, oh, suddenly I saw you  
suddenly I saw you

And now that you saved me from myself  
I just feel like new again  
My world has changed, you broke me free  
Never thought I'd ever be  
Watching the birds up in the sky  
And feel like I'm flying just as high  
They remind me of you

My heart skipped a beat  
I almost went blind  
Was swept off my feet  
You're blowing my mind  
The world I once knew  
Was no longer true  
You've changed my whole life forever more  
My heart skipped a beat, oh, oh...  
My heart skipped a beat, oh, oh...  
My heart skipped a beat...  
Oh, oh, suddenly I saw you  
Oh, oh, suddenly I saw you

My heart skipped a beat  
I almost went blind  
Was swept off my feet  
You're blowing my mind  
The world I once knew  
Was no longer true  
You've changed my whole life forever more  
My heart skipped a beat  
I almost went blind  
Was swept off my feet  
You're blowing my mind

My heart skipped a beat  
My heart skipped a beat  
The world I once knew  
Was no longer true  
You've changed my whole life forever more  
My heart skipped a beat  
My heart skipped a beat  
My heart skipped a beat  
My heart skipped a beat  
My heart skipped a beat  
My heart skipped a beat
