How you gonna see tomorrow  
You're wide awake but fast asleep  
Is it gonna take forever  
To watch you swallow your whole life  
I'm not gonna wait 'til they tear you away  
And they screw you up so you hide your face

Does it feel okay  
Do you wanna make the same mistakes  
'Cause the world you live in  
Keeps you silent  
Do you feel okay  
What's it gonna take to wake you up  
What's it gonna take to wake you up  
From your world of silence

How does it make you feel now  
Do you burn your eyes when you look to the sun  
Is it gonna take forever  
To prove that you're the perfect one  
I don't want to wait as you fall to the sea  
And you'll never know what you mean to me

Does it feel okay  
Do you wanna make the same mistakes  
'Cause the world you live in  
Keeps you silent  
Do you feel okay  
What's it gonna take to wake you up  
What's it gonna take to wake you up  
From your world of silence

Past reflections of you up against the wall  
It reminds me of the way we used to be  
It's getting late, will you set me free

Does it feel okay  
Do you wanna make the same mistakes  
'Cause the world you live in  
Keeps you silent  
Do you feel okay  
What's it gonna take to wake you up

What's it gonna take to wake you up  
From your world of silence

Does it feel okay  
Do you wanna make the same mistakes  
'Cause the world you live in  
Keeps you silent  
Do you feel okay  
What's it gonna take to wake you up  
What's it gonna take to wake you up  
From your world of silence
