[Young Thug:]

That your man don't suck me up for ground zero  
Round and round tryin' to get it I got kilos,  
Me cool, I'll be on some cool  
Bout to take a nigga hoes man to whose  
Then the gambler house and see shoes,  
Bout to get a couple hundred for a rule,

I'm in the A tryin' to spit this shooting rose  
I'm on three different drugs to see low,  
But I can handle, so well I need a nine like grinding  
though  
But I'm a well fi like flocka, 'cause I please blood,  
I can't seek her, so I don't seek her  
I don't... to see weird though,  
Got dreams and stay in... more  
Deal around nigga hot grew up,  
Till I got the... gone,  
The hoe falling in trap, grew up  
Then they get I seek on, diamonds hit like water,  
I think I got my sink on,  
Our RB do something, no shirts, bling stones,  
It's so far and you're bet, and I'ma bear and my  
car is...  
And my hoe flip there, right there,  
And that gun that mell Brasil, like where?  
They around here and get killed, because I'm real  
I mean I'm trill, no ENTC,...  
I'm on my way to be in T babe,

2 x Hook:

Grew up, hey bro  
Share my watch, I got no diamonds...  
Told that hoe that I'm a shooting star just wish your  
way,  
All that up my features don't know where to charge  
today  
Ey, ey yeah

[Gucci Mane:]

Grew up in this bitch today, I don't know who to trick

today  
I don't know what bitch to change in my heart 'cause  
I got a lay  
What a bitch that's so... on, could you man I might  
pour em, pour em,  
Wanna pour, wanna pour em on another foe,  
Pour a bottle for want 24, my big auntie said though,  
In my heart 'cause it smoke blow  
I could kill cold with no hands, I'm a cook to dough  
with two shows

We wear never Versace, we don't wanna wear Polo,  
Oh no, oh no if I had a group,... go solo, solo  
All so dope, if it was in Dubai go solo,  
Thirty thousand dollars and coco,
