We come running
We come running
We come running
We come running

Under a pale blue sky
You never felt so cold
Another sleepless night
How could you ever let go
How do you recognize
A dirty face of gold
Behind that crooked line
Where you never knew you'd go

Headed for the open door
Tell me whatchya waiting for
Look across the great divide
Soon they're gunna hear
the sound, the sound, the sound
When we come running
Never go where we belong
Echoes in the dead of night
Soon they're gunna know
the sound, the sound, the sound
When we come running

Ooh woah oh, ooh woah oh oh
Ooh woah oh, ooh woah oh oh
Ooh woah oh, ooh woah oh oh
The sound, the sound, the sound
When we come running

When the world's gone quiet (woah oh)
I see you dancing slow (woah oh)
Feelin' satisfied
where you never knew you'd go

Headed for the open door
Tell me whatchya waiting for
Look across the great divide
Soon they're gunna hear

the sound, the sound, the sound
When we come running
Never go where we belong
Echoes in the dead of night
Soon theyâ€™ re gunna know
the sound, the sound, the sound
When we come running

Ooh woah oh, ooh woah oh oh
Ooh woah oh, ooh woah oh oh
Ooh woah oh, ooh woah oh oh
The sound, the sound, the sound
When we come running

Days go by
Feelinâ€™ broken down
Remember, always remember (Oh, woah)
The sound, the sound, the sound
When we come running
The sound, the sound, the sound
When we come running
(In the background)
Headed for the open door Headed for the open door
Tell me whatchya waiting for Ooh woah oh, ooh woah
oh oh
Look across the great divide Ooh woah oh, ooh woah
oh oh
Soon theyâ€™ re gunna hear Ooh woah oh, ooh woah
oh oh
The sound, the sound, the sound Ooh woah oh, ooh
woah oh oh
When we come running When we come running
Ooh woah oh, ooh woah oh oh Ooh woah oh, ooh
woah oh oh
The sound, the sound, the sound Ooh woah oh, ooh
woah oh oh
When we come running Ooh woah oh, ooh woah oh oh
Ooh woah oh, ooh woah oh oh Ooh woah oh, ooh
woah oh oh
The sound, the sound, the sound Ooh woah oh, ooh
woah oh oh
When we come running Ooh woah oh, ooh woah oh oh
