I sit alone and watch the clock
Trying to collect my thoughts
All I think about is you
And so I cry myself to sleep
and hope the devil I don't meet
In the dreams that I live through

Believe in me
I know you've waited for so long
Believe in me
Sometimes the weak become the strong
Believe in me
This life's not always what it seems
Believe in me
cause I was made for chasing dreams

All the smiles you've had to fake
and all the shit you've had to take
Just to lead us here again

I never have the things to say,
to make it all just go away,
To make it all just disappear

Believe in me
I know you've waited for so long
Believe in me
Sometimes the weak become the strong
Believe in me
This life's not always what it seems
Believe in me
cause I was made for chasing dreams

Its my life
Its my choice
Hear my words
Hear my voice
And just believe

I Sit alone and watch the clock
Trying to collect my thoughts
And all I think about is you

If you believe in me
Life's not always what it seems
Believe in me
Cause I was made for chasing dreams

Believe in me
I know you've waited for so long
Believe in me
Sometimes the weak become the strong
Believe in me
This life's not always what it seems
Believe in me
Cause I was made for chasing dreams
