Mourning Of A New Day

[Music & lyrics : Abate, Blachier, Canavaggia, Cozzi, Lavail]

Down the red mountain  
Each day I have to climb,  
My eyes stare at you  
The perfect sky, so high.  
Down the red mountain  
I fear to tread,  
Close to catharsis  
I fall like an autumn leave  
Burnt and forgotten  
Rivers of fear, I know...  
So far from the end  
Of this divine monument.  
Light has never been,  
No sun revealed,  
My live never was...  
I am not...I see them run,  
I only live by their side,  
Cyclic storms in my heart  
Rage and brew so deeply.  
I hate myself so much,  
The worst is my pleasure,  
I never dream,  
Nightmares as my only friends  
They surround me,  
I am nothing...  
I do not deserve to live  
My mask won't hide me no more  
Life appears to me just like nothing,  
Nothing else but an epitaph  
Unread by all.  
And I drown in this void...  
Each day, a new pain  
Each day a new death.  
The only way to preserve my creation  
Is eradication, in a sigh ...  
No blasphemy, no heaven in sight

Nothingness as a picture of my desires  
That I will never, never paint.  
The blood that feeds my life  
Is not my own  
My anemia is the sign,  
I sink...  
Down the red mountain  
I fear to tread,  
Close to catharsis  
I fall like a dead leave
