My latest sun is sinking fast  
My race is nearly run  
My longest trials now are past  
My triumph has begun

Chorus

Oh come angel band  
Come and around me stand  
Bear me away on your snow white wings  
To my immortal home  
Bear me away on you snow white wings  
To my immortal home

Oh bear my longing soul to him  
Who bled and died for me  
Whose blood now cleanses from all sins  
And brings me victory  
[chorus]

I know I'm near the holy ranks  
Of friends and kindred dear  
I brush the dew on Jordan's banks  
The crossing must be near

I've almost gained my heavenly home  
My spirit loudly sings  
The holy ones, behold they come  
I hear the noise of wings
