Little girl, baby girl  
(Little girl)  
She's my darling, little precious baby girl  
Like an angel to me and I know that  
He sent from Heaven, my little baby girl

She's as sweet as the flowers of springtime  
Her blue eyes, they sparkle so bright  
Just a touch of her little baby hand  
Seems to guide my weary footsteps day and night

How those two little arms try to hold me  
Her little heart's a blessing to our home  
And at night when I'm far far away  
As dream of her, I'm never all alone
