As you go along from day to day
No thoughts of God, no time to pray
Though He gave His life, that you and me
And this old sinful world be free

Oh, the voice I heard from heaven's throne
Was Jesus calling for His own, His chosen one
It sounds so sweet, the Lord was saying
"Are you lost in sin forever more?"

We've strayed so far, from the word of God
This sinful path, too long we've trod
Let's journey home and join the band
And live with Him in glory land

Oh, the voice I heard from heaven's throne
Was Jesus calling for His own, His chosen one
It sounds so sweet, the Lord was saying
"Are you lost in sin forever more?"

Some people say they don't believe
But if you ask, you shall receive
He leads you home to heaven's door
Where pain and sorrow is no more

Oh, the voice I heard from heaven's throne
Was Jesus calling for His own, His chosen one
It sounds so sweet, the Lord was saying
"Are you lost in sin forever more?"
