I don't blame you for I know you want him  
That your love for me was never real  
I could hold you but you'd be unhappy  
But it's alright if that's the way you feel

I know that I will always go on caring  
And my feelings now I must conceal  
I still need you and I want you with me  
But it's alright if that's the way you feel

I always knew some day I would lose you  
When those lies about me were revealed  
Its plain to see sweetheart you believe them  
But its alright if that's the way you feel
