"Maple On The Hill"

In a quiet country village stood a maple on the hill
Where I sat with my Geneva long ago
As the stars were shining brightly we could hear the
whippoorwill
As we sat beneath the maple on the hill

We would sing love songs together when the birds had
gone to rest
We would listen to the murmur o'er the hill
Will you love me, little darling as you did those starry
nights
As we sat beneath the maple on the hill

Don't forget me, little darling when they lay me down to
die
Just one little wish, my darling, that I pray
As you linger there in sadness thinking darling of the
past
Let your teardrops kiss the flowers on my grave
I will soon be with the angels on that bright and
peaceful shore
Even now I hear them coming o'er the hill
So goodbye, my little darling It is time for us to part
I must leave you 'neath the maple on the hill
