"Our Last Goodbye"

Oh, the nights are lonely here without you
All I see is grief and pain
For another love you treasure
All our hopes now seem in vain

For I love you as no other
Though you've gone far away
Will you ever think my darling
Of our last goodbye today?

I often dream of you my darling
You looked so sweet and smiled at me
And though another's arms may hold you
Those two blue eyes I long to see

For I love you as no other
Though you've gone far away
Will you ever think my darling
Of our last goodbye today?

Now if you ever need me darling
Don't forget to drop a line
I'll always think of you my darling
Won't you think of me sometime?

For I love you as no other
Though you've gone far away
Will you ever think my darling
Of our last goodbye today?
