Here where the carousel spins  
On an ocean of blame  
We pick pockets in the crowds  
Near the gold mines of shame  
And I will wear a red ruby ring  
That reflects the full moon  
Meet me on the corner tonight  
And we'll sleep deep down in the sand dunes  
Chorus:  
Susie climbed a mountain of tacks  
She lost control of the facts  
She put all of the clothes in a brown paper sack  
And drove outta state the next day before sunrise  
Before sunrise  
Susie climbed a mountain of tacks  
Walkin' by the old funzone1  
South of the gutter of doubt  
Past a broken mirror glass  
The reflection faded in and out  
And I saw her there  
Chorus repeat x3
