(ft. Gina)

Can you make me feel like a star? (x8)

Can you make me feel like a star?
Can you make me shake and scream?
Can you make me feel like a star?
Can you make me shake and scream?
Can you make me feel like a star?

Can you make me feel like a star?
Can you make me shake and scream?
Can you make me beg now, baby?
Can I leave you loving me? (x2)

Can you make me lose my mind?
Can you tease me?
Can you make me wanna dream?
Can you please me?

If we did it on a magazine,
If we did it on the silver screen,
If we did it on the bathroom floor,
Would your girlfriend call me a whore?

Can you make me feel like a star?
Can you make me shake and scream?
Can you make me beg now, baby?
Can I leave you loving me? (x2)

Can you make me lose my mind?
Can you tease me?
Can you make me wanna dream?
Can you please me?

If we did it on a magazine,
If we did it on the silver screen,
If we did it on the bathroom floor,
Would your girlfriend call me a whore?

Can you make me feel like a star?

Can you make me shake and scream?
Can you make me beg now, baby?
Can I leave you loving me? (x2)

Can you make me lose my mind?
Can you tease me?
Can you make me wanna dream?
Can you please me?

If we did it on a magazine,
If we did it on the silver screen,
If we did it on the bathroom floor,
Would your girlfriend call me a whore?

Can you make me feel like a star?
Can you make me shake and scream? (repeat)
