Written by Neil Diamond

Love you so much can't count all the ways  
I'd die for you girl and all they can say is  
He's not your kind  
They never get tired of puttin' me down and  
I never know when I come around  
What I'm gonna find  
Don't let them make up your mind  
Don't you know

Girl, you'll be a woman soon  
Please come take my hand  
Girl, you'll be a woman soon  
Soon, you'll need a man

I've been misunderstood for all of my life  
But what they're sayin', girl, just cuts like a knife  
The boy's no good

Well, I finally found what I've been lookin' for  
But if they get a chance they'll end it for sure  
Sure they would  
Baby I've done all I could  
it's up to you

Girl, you'll be a woman soon  
Please come take my hand  
Girl, you'll be a woman soon  
Soon, you'll need a man
