Written by Neil Diamond, Tom Hensley and Alan Lindgren

Hey, we're headed for the future
Give us some room
We're gonna build a new world
Say, we're headed for the future
Give us some time
We're gonna make it work right

Yeah, we're gonna build a new dream
We've got to make it stand tall
It's got to last a long time

Lean on me
And I'm gonna lean on you
We're headed for the future
And the future's now
Show you how

Yeah, we're headed for a new place
A step at a time
We're gonna take a long ride

Time don't wait around forever
We've got to do it right now
Let's do it all together

Lean on me
And I'm gonna lean on you
We're headed for the future
And the future's now
Show you how
Lean on me
'Cause I'm gonna lean on you

We're headed for the future
Come on, lean on me
And I'm gonna lean on you
We're headed for the future
And the future's ours

Come on, come on
Come on, come on
Come on, come on
Yeah
