Words and Music by Neil Diamond and Gary Burr
If I lost my way, would you stand with me,
would you love me still and care for what I need if I lost
my way?
If I lost the faith to face up to the test, would I let you
down?
Would you love me less if I lost my way?

Tell me I'm afraid without good reason.
Say that I'm a fool to feel this way.
Could it be the me that you believed in
is all you really need to make you stay?
If I lost my way, if I lost my way.
If I lost my dreams, could I keep your trust?
Promise that our love would not turn to dust if I lost my
way.

Tell me I'm afraid without good reason.
Say that I'm a fool to feel this way.
Could it be the me that you believed in
is all you really need to make you stay?
If I lost my way, would you stand with me,
would you love me still and care for what I need if I lost
my way?
If I lost my way, if I lost my way, if I lost my way.
