BE

Lost

On a painted sky

Where the clouds are hung

For the poet's eye

You may find him

If you may find him

There

On a distant shore

By the wings of dreams

Through an open door

You may know him

If you may

Be

As a page that aches for a word

Which speaks on a theme that is timeless

While the Sun God will make for your day

Sing

As a song in search of a voice that is silent

And the one God will make for your way

And we dance

To a whispered voice

Overheard by the soul

Undertook by the heart

And you may know it

If you may know it

While the sand

Would become the stone

Which begat the spark

Turned to living bone

Holy, holy

Sanctus, sanctus

Be

As a page that aches for a word

Which speaks on a theme that is timeless

While the Sun God will make for your day

Sing

As a song in search of a voice that is silent
And the one God will make for your way

LONELY LOOKING SKY

Lonely looking sky
Lonely sky, lonely looking sky
And bein' lonely
Makes you wonder why
Makes you wonder why
Lonely looking sky
Lonely looking sky
Lonely looking sky
Lonely looking night
Lonely night, lonely looking night
And bein' lonely
Never made it right
Never made it right
Lonely looking night
Lonely looking night
Lonely looking night

Sleep we sleep
For we may dream
While we may
Dream we dream
for we may wake
One more day
One more day

Glory looking day
Glory day, glory looking day
And all it's glory
Told a simple way
Behold it if you may
Glory looking day
Glory looking day
Lonely looking night

SKYBIRD

Skybird
Make your sail
And every heart will know
Of the tale
Songbird
Make you tune
For none may sing it
Just as you do

Look at the way I glide
Caught on the wind's lazy tide

Sweetly how it sings
Rally each heart at the sight
Of you silver wings

Skybird, skybird

Nightbird
Find your way
For none may know it
just as you may
