Written by Neil Diamond

She was moring  
And I was night time  
I one day woke up  
To find her lying  
Beside my bed  
I softly said  
Come take me  
For I've been lonely  
In need of someone  
As though I'd done  
Someone wrong somewhere  
I don't know where  
Come lately

You are the sun  
I am the moon  
You are the words  
I am the tune  
Play me

Song she sang to me  
Song she brang to me  
Words that rang in me  
Rhyme that sprang from me  
Warmed the night  
And what was right  
Became me

You are the sun  
I am the moon  
You are the words  
I am the tune  
Play me

And so it was  
That I came to travel  
Upon a road  
That was thorned and narrow  
Another place  
Another grace

Would save me

You are the sun  
I am the moon  
You are the word  
I am the tune  
Play me
