Song sung blue

Everybody knows one

Song sung blue

Every garden grows one

Me and you are subject to the blues now and then

But when you take the blues and make a song

You sing them out again

Sing them out again

Song sung blue

Weeping like a willow

Song sung blue

Sleeping on my pillow

Funny thing, but you can sing it with a cry in your voice

And before you know, start to feeling good

You simply got no choice

Song sung blue

Everybody knows one

Song sung blue

Every garden grows one
