Verse 1:

I'm so mad at you right now
That i can't think straight
And i should shut my mouth
So i don't let out
The cruel things I'd say

Bridge:

Cos when love starts out
It's all peachy
I love you, you love me, seems easy
It's like a walk in the park
But sometimes it takes an act of my will
And a walk in a park turns to uphill
But i promise to give you my heart

Chorus:

I will choose to love you, yeah
Even though i wanna stay mad
Even though i wanna get angry
Though it may be easier to walk away
I will choose to stay and love you

Verse 2:

Love is just so beautiful
But sometimes it takes work
And the ones you love
At times can leave you so hurt

Bridge:

Cos when love starts out
It's all peachy
I love you, you love me, seems easy
It's like a walk in the park
But the picture of love some try to paint
It's a contrast to the real landscape
But i promise to give you my heart

Chorus:

I will choose to love you, yeah
Even though i wanna stay mad
Even though i wanna get angry

Though it may be easier to walk away
I will choose to stay
I choose you
I choose you, yeah
I choose you
I choose you, everyday
I choose you

Verse 3:

Some people think that love is just a feeling
So they fall out of love as quickly as they fell in
Some people think love is just a game
But they the ones who always seem to end up getting
played
Though everything around might change
One thing will still remain

Chorus:

I will choose to love you, yeah
Even though i wanna stay mad
Even though i wanna get angry
Though it may be easier to walk away
I will choose to stay
I choose you
I choose you, hey yeah
I choose you, woahhh
I choose you, everyday
I choose you
