Ey, ey ey ey ohhhhhh yea yeah yea yea  
watching the clock counting down the hours,  
waiting not even 24 has past but i cant take it  
for your love i'm a addict cant break the habit  
some many call me pathetic if she anit yours you wont  
get it  
ready to climb the highest tower just to see if  
i can spot her face out in the crowed from the distance  
when she not in my grasp my heart starts to panic  
got a case of the classic missing my baby badly

Chorus

Homesick, all because my baby not around  
im homesick, even though we're in the same town  
im homesick, seconds after me kiss  
when you walk out the door i start to miss  
i can't control this feeling  
its like im homesick, homesick  
its like im homesick, homesick, homesick  
its like im homesick, homesick, homesick  
seconds after we kiss  
when you walk out the door i start to miss  
i cant control this feeling  
its like im homesick

feels like forever when its only been some minutes  
cause when we're together i just lose myself in it  
is it wrong to be childish when my baby allows it  
some may call me pathetic if she anit yours, you wont  
get it  
don't for a second i'm being insecure  
but when its so real, its a love you must adore  
no i wont beat around it, its like i jumped now im  
drowning  
in her presence, she's my life saving medicine

Chorus

Homesick, all because my baby not around  
im homesick, even though we're in the same town  
im homesick, seconds after me kiss  
when you walk out the door i start to miss

i can't control this feeling  
its like im homesick, homesick  
its like im homesick, homesick, homesick  
its like im homesick, homesick, homesick  
seconds after we kiss  
when you walk out the door i start to miss  
i cant control this feeling  
its like im homesick

you been fishing now im hooked had the perfect bate  
took a bite it was so good wanted a second taste  
you're my favourite thing to do everyday i need a dose  
of you  
i know you just left but im homesick

#### Chorus

Homesick, all because my baby not around  
im homesick, even though we're in the same town  
im homesick, seconds after me kiss  
when you walk out the door i start to miss  
i can't control this feeling  
its like im homesick, homesick  
its like im homesick, homesick, homesick  
its like im homesick, homesick, homesick  
seconds after we kiss  
when you walk out the door i start to miss  
i cant control this feeling  
its like im homesick
