Eh, the way you look at me  
I know just what you're saying  
I can see it in your eyes  
They're giving you away  
And when you stop smiling  
The sky begins to rain  
Do anything to find it  
And bring it back again, eh, eh  
And bring it back again, eh, eh, yeah  
And bring it back again

[Chorus]

When it seems like no one hears you  
Feels just like you are seen through  
You gotta know you're not invisible, eh, yeah, eh  
When you're lost in a million places  
I'll be with you, I can see you  
Cos you know you're not invisible  
You're not invisible  
Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh

Cos when you start to tell me  
Everything's okay (Mmm, yeah)  
I'm listening, baby  
Don't wanna feel this way (Ooh, ooh)  
Try to make me smile  
It's the sweetest thing  
Do anything to find it  
And bring it back again, eh, eh  
And bring it back again

[Chorus]

When it seems like no one hears you  
Feels just like you are seen through (You are seen through)  
You gotta know you're not invisible,  
eh, yeah, eh (You're not invisible, yeah)  
When you're lost in a million places (A million places)

I'll be with you, I can see you  
Cos you know you're not invisible (Yeah)  
You're not invisible  
Oh, oh, oh, oh, oh (You're not invisible)  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh (Yeah, yeah)  
Oh, oh, oh, oh, oh, oh

Even when I'm not shining (Shining)  
You know where I'm hiding (Hiding)  
And you let me know (Yeah)  
I'm not invisible  
Cos when you let the light in (Yeah, yeah)  
I know I can find it  
And that's when I know  
I'm not invisible (Yeah, yeah, yeah)

[Chorus]

When it seems like no one hears you  
Feels just like you are seen through  
You gotta know you're not invisible, eh, yeah, eh (Oh)  
When you're lost in a million places  
I'll be with you, I can see you (Ooh, no)  
Cos you know you're not invisible  
You're not invisible (Ooh)  
Oh, oh, oh, oh, oh (Yeah, yeah, you're not invisible)  
Oh, oh, oh, oh, oh, oh (You're not invisible)  
Oh, oh, oh, oh, oh (You're not invisible, you're not  
invisible)  
Oh, oh, oh, oh, oh, oh (You're not, you're not invisible,  
oh no)

Oh, oh, oh, oh, oh (Yeah)  
Oh, oh, oh, oh, oh, oh (Yeah)  
Oh, oh, oh, oh, oh (Ooh)  
Oh, oh, oh, oh, oh, oh
