Ooh, oh, ooh, ooh
Girl, I'm in love with you
This ain't the honeymoon
Past the infatuation phase
Right in the thick of love
At times we get sick of love
It seems like we argue every day

I know I misbehaved And you made your mistakes
And we both still got room left to grow
And though love sometimes hurts I still put you first
And we'll make this thing work
But I think we should take it slow

[Chorus]
We're just ordinary people
We don't know which way to go
'Cause we're ordinary people
Maybe we should take it slow Take it slow, whoa, whoa,
oh
This time we'll take it slow Take it slow, whoa, whoa, oh
This time we'll take it slow

Maybe we'll live and learn
Maybe we'll crash and burn
Maybe you'll stay Maybe you'll leave Maybe you'll return
Maybe another fight
Maybe we won't survive
Maybe we'll grow We'll never know Baby, you and I

[Chorus]
We're just ordinary people
We don't know which way to go
'Cause we're ordinary people
Maybe we should take it slow Take it slow, whoa, whoa,
oh
This time we'll take it slow Take it slow, whoa, whoa, oh
This time we'll take it slow
