It's winter time and the trees are white
There's couples cozy by the fireside
The lights, the love
The smell of cookies in the air
The snow is fallin' and the weather's cold
It's lonely underneath the mistletoe
I don't need a lot of fancy gifts
No, there's one thing on my list

Your kiss, your kiss, your kisses
Your kiss, your kiss, your kisses
Your kiss, your kiss, your kisses love
You got me singin' again
Your kiss, your kiss, your kisses
Your kiss, your kiss, your kisses
Your kiss, your kiss, your kisses love

I see presents all around an open fire
But you're the only one that I desire
Your touch, your lips, your kiss is what I need
Santa comes only once a year
My list is short but it's never clear
It won't be beneath the Christmas tree
No, there's one thing that I need

Your kiss, your kiss, your kisses
Your kiss, your kiss, your kisses
Your kiss, your kiss, your kisses love
You got me singin' again
Your kiss, your kiss, your kisses
Your kiss, your kiss, your kisses
Your kiss, your kiss, your kisses love

You got me singin' again
Your kisses, your kisses, your kisses love
You got me singin' again
Your kisses, your kisses, your kisses love
Talkin' 'bout

Your kiss, your kiss, your kisses
Your kiss, your kiss, your kisses

Your kiss, your kiss, your kisses love
You got me singin' again
Your kiss, your kiss, your kisses
Your kiss, your kiss, your kisses
Your kiss, your kiss, your kisses love
Your kisses love
