You's a ho, ho, ho, ho, ho, ho, ho  
You's a ho, a dirty ho  
I saw you kissin' someone underneath the mistletoe  
You's a ho (you's a ho), a dirty ho (so dirty), yeah yeah

It was the night before christmas (christmas) and all  
through the house (house)  
A creature was stirrin', she was messing around (she  
was what?)  
'Cause at the party I was deckin' the halls (I was)  
She was at the party jugglin' balls (balls, yeah)  
I can't believe her, we had a relationship (ship)  
I'm so mad, I'mma crap on her christmas gift (crap)  
I made her a big fluffy build-a-bear  
But now there's going to be doo-doo on her stupid bear

You's a ho, ho, ho, ho, ho, ho, ho  
You's a ho, a dirty ho  
I saw you kissin' someone underneath the mistletoe  
You's a ho (yo what up this is your boy D-trix), a dirty ho  
(straight fire check, yo), yeah yeah

You's a ho, ho, ho  
I don't know, know, why, why  
You would ever say you love me, turn around and lie,  
lie  
Cry, cry so full of sadness and sorrow  
Now my heart hurts, Cupid took back his arrow (what?)  
My eyes cry tears 'cause I'm sad  
Just a fraction  
Santa gets you coal 'cause you bad  
Michael Jackson (teehee)  
Like Rebecca Black this rap is (friday) B.A.D  
But you're still a sleaze, I hope you get S.T.D's 'cause

You's a ho, ho, ho, ho, ho, ho, ho (background fall)  
You's a ho (ho), a dirty ho (oh her lips)  
I saw you kissin' someone underneath the mistletoe  
(oh, oh, oh)  
You's a ho (yeah Baby), a dirty ho (background fall),  
yeah yeah

Saw with that stupid tool underneath the mistletoe  
Seein' you with someone else makes my blood boil  
Just like the soil, you're a dirty, little ho  
So go, I don't need a ho that don't got no self-control  
My heart, it still aches, this pain I can't take  
Go on and leave together 'cause I'll never be your rake  
You're a ho, plain and simple, nothing but a filthy trap  
You may have lit my life up but now I'm into lamps

You's a ho, ho, ho, ho, ho, ho  
You's a ho, a dirty ho  
I saw you kissin' someone underneath the mistletoe  
You's a ho, a dirty ho, yeah yeah
