Santa Claus, I got a wish for you
It's really big, I hope that you'll come through
Ohohh
Santa Claus, bring me what I need
Or there'll be no more cookies under the tree
Ohohoh

Dear Santa, I made you a list
You better check it twice 'cause I'll never forgive you
If you laugh and you don't pull through
I'll tell all of my homies not to believe in you
Let's start it off, I want a new CD
Please bring me Adele's, I love her melodies
Don't judge me Santa Claus, I'm tryin' to keep it cool
I don't need to be questioned from someone like you
I need some toilet cleaner 'cause my shit is crazy
I want Modern Warfare 3, Santa don't be lazy
And I want a gun, nothing too damn big
Don't lecture me and say: "You'll shoot your eye out,
kid!"

Santa Claus, I got a wish for you
It's really big, I hope that you'll come through
Ohohh
Santa Claus, bring me what I need
Or there'll be no more cookies under the tree
Ohohoh

I want a huge mansion for me and my dad
I wanna be a billionaire, so freakin' bad
Sorry Santa, I'll try not to be greedy
But can I please have an island right next to Tahiti?
And a giant airplane full of really pretty girls
And a magic carpet so I can fly around the world
I'm not asking for too much, I won't get carried away
Just bring Micheal Jackson back from the grave
But honestly Santa, there's only one thing on my list
I just really want a girlfriend for this Christmas, please?

Santa Claus, I got a wish for you
It's really big, I hope that you'll come through

Ohohh
Santa Claus, bring me what I need
Or there'll be no more cookies under the tree
Ohohoh
