"Alive And Well"

Pull my ribs apart, It seems quite simple
Oh I beg you to start, Find a way
To get inside my world - You're so wonderful
As they come
I'm on fire inside of me
Can I lay in your hands?
For a while, for a while
Give my mind a break, It seems quite simple
Won't you take it away, I jst feel numb
Tell me everything is going to be alright
Cause I need to hear it
I'll lay in your hands
I'll lay in your hands
I'm alive and well, alive and well
In your hands
I'm alive and well
Give my mind a break, please
Oh it's killing me, here
Show me everything
Oh it will be alright
Cause I need to hear you say
Just lay in my hands
Just lay in my hands
I'm alive and well, alive and well
In your hands
I'm alive and well
I'm holding on, to you
