Tell me where do we go from here?  
Your desires involve your fears  
Start exactly where you stand  
Your hearst pounding in your ears now  
Sticks and stones  
IÂ'll try and shoulder everything  
For all the girls  
Enslaved by magazines  
It's a glorious, glorious a glorious day here!  
Ready to expose those lies  
Oh weÂ're no longer paralyzed  
Ready now cause we realize  
Gravities lost her hold now  
Broken bones  
YouÂ've take one too many  
For all the boys  
Enslaved by tragedy  
It's a glorious, glorious a glorious day here!  
The shackles are gone  
It's a glorious, glorious a glorious day now  
Here we go  
Yah theyÂ're gone  
And the shackles are gone  
They are gone away  
It's a glorious, glorious a glorious day  
The shackles are gone  
It's a glorious, glorious a glorious day  
Here!  
And weÂ're taking it back  
WeÂ're taking it back!
