I know you've lost your way
I know there's secrets tearing you inside
You wake up everyday
Afraid, alone and hanging on a thread
I'll be your shoulder to cry on
I'll be your shoulder to cry on
Here
I'm sorry for your pain
The thoughts you have of being alone, are lies
I'd fix you if I can
I'd hold you; love you everyday,
Because you're so beautiful
I'll be your shoulder to cry on, love
I'll be your shoulder to cry on
For more than once in your life
Every single day of your life
Ya, let it rain
Oh, let it rain
There's healing in the rain
In the rain
I'll be your shoulder to cry on, love
I'll be your shoulder to cry on
For more than once in your life, I know
Every single day of your life
