Can you see it on my face?  
I feel it in the way I sing  
It's tearing me from inside out  
To know that we are not where we can be  
And we'll still walk into the room  
And raise the hair on your neck  
It's about something grand  
And it's beautiful, so beautiful  
Upset's a friend I wake up with  
And angry always seems to be around  
Destination is never a doubt  
Because I know I have the faith, the faith!  
And we'll still walk into the room  
And raise the hair on your neck  
It's about something grand  
And it's beautiful, so beautiful  
I am not afraid, I am not afraid  
I am not afraid, I am not afraid  
And we'll still walk into the room  
And raise the hair on your neck!
