Someone, so many in my life
Try to steal my joy away
But I fought, I fought so hard
As tears rolled down upon my cheek
Bruised and Iâ'm broken
Iâ'm reminded by these wounds
Aching, Iâ'm aching to my bones
Oh I've seen far better days
I won't get lost til heavens found
Iâ'll let my scars
Let them guide my way
Somedays, someday Iâ'm so afraid
Iâ'm so tired of being me
I hang my, I hang my head in shame
Iâ'm a fool, Iâ'm a fool
There's a fool in front of you
I won't get lost til heavens found
Iâ'll let my scars
Let them guide my way
Iâ'll let them guide my way, home
Iâ'll let them guide my way, home
Iâ'll let them guide my way, home
To you, home to you, home to you
Home
To you
Those scars may lead me home
Those scars may lead me home
To you, to you, now
