On a day like today the world is beautiful
Cause Iâ'm here with you
One a day like today, you stare at the sun
Oh I know you do, Cause I do it too
On a day like today, it's hard to find the words
Though I try
On a day like today, my worries fade away
With you, Here I am
With you, Here I am
Iâ'm sitting on top of the world
I can do anything
Iâ'm sitting on top of the world
I can do anything
At a moment like this, let yourself go
Youâ've got to learn to let go
At a moment like this it's easy to breathe
With you, Here I am
With you, Here I am
Iâ'm sitting on top of the world
I can do anything
Iâ'm sitting on top of the world
I can do anything, here
It's just me and you, here
Always me and you here
I am safe with you near
Always safe, oh here
And your hands they lifted me, your hands
Iâ'm sitting on top of the world
I can do anything
Sitting on top of the world
I can do anything, here
Oh it's beautiful, it's beautiful
With you!
This beauty will take your breath away
Cause it's beautiful, when youâ're here
