Another Day Is Dawning

On This Dusty Town  
Rub The Sleep From My Eyes  
As My Feet Hit The Ground  
So I Make Myself Some Coffee  
And Think About My Life  
Always Seems Like Somethin's Missin'  
Since You Walked Out That Night

Funny How Time Just  
Never Seems To Know  
How Much I'd Like To Have It Back  
So I Could Let You Know

Maybe I'm Crazy  
To Feel The Way I Do

I May Not Have A Chance In Hell  
But I'm Still In Love With You  
I'm Not Waiting To Tell You How I Feel  
I Know This Time  
What I've Got Is Real

Seems Everybody's Waiting  
For Their Ship To Come In  
As If Somehow Like Magic  
Their New Life Just Begins  
Well I Know It's Not That Easy  
When Fear Gets In The Way

Cause I Know The Pain Of Watching,  
My Whole World Walk Away  
Funny How The Time  
Always Seems To Go

Faster Than I Want It To  
Now I Gotta Let You Know

Maybe I'm Crazy  
To Feel The Way I Do

I May Not Have A Chance In Hell  
But I'm Still In Love With You  
I'm Not Waiting To Tell You How I Feel  
I Know This Time  
What I've Got Is Real

It's So Hard To Let You Go  
Cause You're The One True Love  
I'll Ever Know

Funny How Time Just  
Never Seems To Know  
How Much I'd Like To Have It Back  
So I Could Let You Know

Maybe I'm Crazy  
To Feel The Way I Do  
I May Not Have A Chance In Hell  
But I'm Still In Love With You  
I'm Not Waiting To Tell You How I Feel  
I Know This Time  
What I've Got Is Real

Oh I Know This Time  
What I've Got Is Real

It's Real Now  
What I've Got Is Real  
Yeah Yeah  
Ah Ah  
What I've Got Is Real
