You're as sweet as candy  
You're my rodeo queen  
I'll take you out in the prairie to places you've never  
Seen  
I'll take you up in the sky  
Come on and have a try, and we'll be  
Free like eagles my rodeo girl into the sky  
We'll look down on this world  
We'll fly so high come on and have a looks right

See the sunset in your eyes  
Oh my little campfire flame  
Feel the magic when we touch  
You know you're drivin me insane

Chorus:  
It's just the way that you ride with me  
Yeah babe I swear you knock me off a my feet  
Just the way you talk so dirty to me  
Just the way that you rock my body you rock my body

Come on now baby show me yours  
And I will show you mine  
I wanna take you on a rodeo ride  
For a 1000 nights  
I'll take you up in the sky  
Come on and have a try, and we'll be  
Free like eagles my rodeo girl into the sky  
We'll look down on this world  
We'll fly so high come on and have a looks right
