I helped you with your problems,  
You ought to help me with mine.  
Woah, I got to know, I got to know,  
Just gimme some kind of sign.

You wanna be a lady scholar,  
You ought to know what to say.  
Woah, I got to know, I got to know,  
We can't go on this way.

[Chorus:]  
Any major fool,  
Down on 42nd Street,  
Will tell ya,  
There's no way to beat the heat.

You're a little younger,  
Maybe, I'm a little old.  
I never said,  
But I need to be told...

Woah, I got to know,  
I got to know, I got to know.

Yeah, I got to know,  
I got to know, I got to know.

Ewww, I got to know,  
I got to know, I got to know.  
[End Chorus]

You communicate with silence,  
You expect me to understand,  
Woah, I got to know, I got to know.  
You can make me a happy man.

Well I'm waitin' for you answer,  
Sleeping in my shoes.  
Woah, I got to know, I got to know.  
Because I wanna go spread the news.

[Repeat Chorus]

[Instrumental interlude]

So if you think ya need,  
Just gimme a little call.  
Woah, I got to know, I got to know.  
I saw your mind was on it.

But I'm tired of all this waiting,  
You sweet-taked me to death.  
Woah, I got to know, I got to know.  
So I better not hold my breath.

Woah, I got to know.  
I got to know, I got to know.

Yeah, I got to know.  
I got to know, I got to know.

Ewww, I got to know.  
I got to know, I got to know.

Don't ya know, I got to know.  
I got to know, I got to know.

Yay, I got to know.  
I got to know, I got to know.

Ewww, I got to know.  
I got to know, I got to know.

[Fade]
