The wind blew some luck in my direction  
I caught it in my hands today  
I finally made a tricky french connection  
you winked and gave me your o.k.  
I'll take you on a trip beside the ocean  
and drop the top at Chesapeake Bay  
ain't nothing like the sky to dose a potion  
the moon'll send you on your way

Moonlight feels right, moonlight feels right.

We'll lay back and observe the constellations  
and watch the moon smiling bright  
I'll play the radio on southern stations  
'cause southern belles are hell at night  
you say you came to Baltimore from Ole Miss  
a class of '74 gold ring  
the Easton moon looks ready for a wet kiss  
to make the tide rise again

Moonlight feels right, moonlight feels right.

We'll see the sun come up on Sunday morning  
and watch it fade the moon away  
I guess you know I'm giving you a warning  
'cause me and moon are itching to play  
I'll take you on a trip beside the ocean  
and drop the top at Chesapeake Bay  
ain't nothing like the sky to dose a potion  
the moon'll send you on your way

Moonlight feels right, moonlight feels right.
