If it's  
If it moves from  
If it snaps  
'Cause you're hungry to feed it

If you listen they'll tell you  
That your seamstress have failed you  
If you're ready to be there  
For the sensual love man

Always searching for a thrill  
They keep  
Always searching for a thrill  
Walking down the street, they sleep  
Always searching for a thrill

If you're lookin' to shock you  
'Cause they're tryin' to rock you  
Playin' Queen, Jimmy Dean  
It's an adolescent movie screen

Always searching for a thrill  
On and on and on they keep  
Always searching for a thrill  
Up and down the street they sleep  
Always searching for a thrill

[BRIDGE]

Always searching for a thrill  
On and on and on they keep  
Always searching for a thrill  
Up and down the street they keep  
Always searching for a thrill
