Since I first saw him, I think myself blind  
I look around me, and it's only him I see  
His image floats before me,  
So gentle and so kind, he has got a clear mind and  
firm courage  
o ring upon my finger, little golden ring  
devoutly I press you to my lips and to my heart  
sisters come adorn me, banish foolish fear  
twine upon my furrowed brow  
the blossoming myrtle  
I serve him and live for him  
Belong wholly to him  
Give myself and find myself transfigured by his  
brightness  
Ring upon my finger, little golden ring  
Devoutly I press you to my lips and to my heart  
The blissful dream of childhood has ended  
Now I drink delicious death with you my love  
Now you have me caused me my first pain â€¦ that  
really hurt.  
You sleep, you hard cruel man, the sleep of death  
The veil falls, the bell tolls, the black shawls, the  
carriage rolls  
You, my whole world
