You're the wonder and the mystery
You're the melody that must be sung
We rejoice with all those who believe
You're the song that was and is to come

Glory is rising
Yeah, glory is rising

Beautiful
Beautiful, the sound
Of redemption's song
Moving through the crowd

Singing, great is our God
Your children crying out
Beautiful
Beautiful, the sound

From the Earth, our voices will ascend
As an offering to You alone
May our praises echo without end
Join the angel choir around the throne

Glory is rising
Yeah, glory is rising

Beautiful
Beautiful, the sound
Of redemption's song
Moving through the crowd

Singing, great is our God
Your children crying out
Beautiful
Beautiful, the sound

Beautiful
Beautiful, the sound
Of redemption's song
Moving through the crowd

Singing, great is our God

Your children crying out
Beautiful
Beautiful, the sound

Beautiful, the sound
