"Heart And Flesh"

My soul longs, even faints for
The courts of the Lord
[x4]

Oh my heart and flesh
Cry out for the Living God

My soul longs, even faints for
The courts of the Lord
[x2]

Oh my heart and flesh
Cry out for the Living God
[x2]

And I am satisfied, satisfied in You Lord
And I would trade it all for one day in Your courts
Lord I am satisfied, oh I am satisfied in You
[x2]

Lord I am satisfied, oh I am satisfied in You

Oh my heart and flesh
Cry out for the Living God
