Make some room on the floor  
Start snappin' your fingers  
Start moving your feet  
Cause everybody's buggin' to this old school beat  
Put your hands in the air  
Make some room on the floor  
We're gonna break it down  
Like we've never ever done before  
(Na na na na...)  
The whole world's in on the action  
So turn that frown around  
It's the rhythm of the ages  
Everybody's gettin' down  
God put the boogie in ya  
Gave you what you got to move it  
So quit yakkin' 'bout your groove  
I want to see you prove it  
(Na na na na...)  
Start snappin' your fingers  
Start moving your feet  
Cause everybody's boogying to this old school beat  
(Na na na na na...)
