Artist : Starfield
Title : Obsession
Album: Beauty In The Broken

Verse 1:

I am fixed on You,
as the world flies by.
I have lost myself,
in Your blinding light.

Chorus:

This obsession is my call,
Owning body mind and soul.
All I live for is to know You and be known.
This obsession makes me whole,
I give in to its control.
It consumes me like a fire within my bones.

Verse 2:

I am not my own,
I have been erased,
Like a canvas washed by the strokes of grace.

You're my obsession, You're all I ever need,
I'm Your possession.

Chorus
